About the author

Bas was born in a small city in Overijssel called Enschede.

After studying physical therapy and a dedicated life as a

semi-professional triathlete he started the research

master Fundamental and Clinical Human Movement

Sciences at the Vrije Universiteit in Amsterdam. During

this study the love for research was set in motion and

resulted in finishing a PhD at ACTA.

He hopes that his curiosity and knowlegde gained during the PhD

will lead to a promising future, while meeting new people and

seeing other parts of the world.
